1. In the said rules, in rule 65—

(i) for sub-rules (7) and (8), the following sub-rules shall be respectively substituted, namely:—

“(7) In the case of a factory whose daily output does not exceed 100 gross of boxes per day, a certificate granted under sub-rule (6) shall not be valid for more than three months from the date of issue, and may be cancelled at any earlier time, if it appears to the Assistant Collector that the daily output of the factory to which it related exceeds such limit and a demand for the appropriate differential duty shall be simultaneously made under rule 10-A in respect of the total quantity of match boxes cleared from the factory during the entire period the certificate remained in force.

(8) In the case of a factory whose output does not exceed 500,000 gross of boxes per year but exceeds 100 gross boxes per day, the certificate shall be valid only up to the end of the year for which it has been issued and shall be cancelled at any earlier time during such year, if up to such time, the actual output of the factory from the commencement of the year has exceeded 500,000 gross of boxes and a demand for the appropriate differential duty shall be simultaneously made under rule 10-A in respect of the total quantity of match boxes cleared from the factory during the entire period the certificate remained in force.”

(ii) After sub-rule (8) the following sub-rule shall be inserted, namely:—

“(8A) A licensee seeking a change in the classification of his factory producing matches so as to entitle him to the preferential rates of duties provided in the First Schedule to the Act for factories whose daily output does not exceed 100 gross of boxes per day, or for factories whose output does not exceed 500,000 gross of boxes per year, shall give 30 days' notice of his intention to do so to the Assistant Collector in whose jurisdiction the factory is situated. The Assistant Collector shall grant the necessary certificate to the licensee on his executing a bond in the proper Form, undertaking in case the scale of production should exceed the prescribed limit during the currency of the certificate, to pay to the Government such duty, and other sums of money, if any, as would have been payable by him if such certificate had not been granted. No change of classification shall be permitted except at the commencement of a quarter, where the change is sought of an existing classification into the classification of a factory whose daily output does not exceed 100 gross of boxes per day and except at the beginning of a calendar year, in all other cases.”

*Conditions*

1. No blasting operation shall be carried out between the hours of sunset and sunrise. Blasting operations shall only be carried out between the hours\*.....

2. The preparation of charges, the charging of holes and the firing of shots shall be carried out by or in the presence of a responsible person with experience of handling explosives.

3. No smoking or any source of light or fire shall be allowed in or near the place where explosives charges are being prepared or kept.

4. Not more than 8 holes shall be loaded and fired at any one time.

5. For charging or steaming a shot hole, no person shall use an iron or steel tool, scraper or tamping rod, nor shall forcibly press the explosives into a hole of insufficient size. A tamping rod made entirely of wood shall be used.

6. Before exploding any blasting charge, a strong wooden lattice sufficiently weighted shall be placed immediately over the drift so as to prevent, as far as possible, the projection of fragments of stone by the explosion of the blasting charge.

7. No person shall re-bore or tamper a hole that has once been charged or attempt to withdraw a charge either before firing or after a misfire or deepen or tamper with empty holes or sockets left after blasting.

8. Before commencing shot firing, the licensee shall give sufficient warning to the public by an efficient system of signals—and by putting up red flags in the danger zone, namely 200 yds. from the place of blasting. He shall see that all persons in the vicinity have taken proper shelter and shall also take suitable steps to prevent any person approaching the shot.

9. The licensee shall warn the public not to approach the site of blasting operation at least within an hour after explosion or in the case of an open quarry, not to approach such quarry within half an hour after explosion.

10. The number of shots which explode shall be counted and unless it is certain that all the shots have been exploded, no person shall approach or be permitted to approach the place until 30 minutes after the firing of shots.

11. In the event of a misfire, a portion of the tamping may be sludged out with compressed air or water under pressure, but no kind of tool shall be used for this purpose. The hole shall thereafter be reprimed and fired.

12. In the event of a misfire, if a relieving hole is to be drilled, it shall not be placed within 12" from the misfired hole. The relieving hole shall run parallel to the misfire hole.

13. The licensee or his agent shall remain present at the place and time at which blasting operations are proceeding.

14. The licensee shall be responsible for all blasting operations conducted under this licence.

15. The licensee shall produce his licence, if required to do so, before any officer authorised under Rule 106 of the Explosives Rules, 1940, and shall afford free access to such officer to any place at which any blasting operation is carried on, so as to ensure that all necessary precautions have been taken to guard against danger to the public.

\*The licensing authority should endorse the hours during which the blasting operations may be carried out."

1. For paragraph 69, the following shall be substituted, namely:—

*"69. Circumstances in which accumulation in the Fund are payable to a member.*—(1) A member may withdraw the full amount standing to his credit in the Fund;—

(a) on retirement from service after attaining the age of 55 years;

(b) on retirement on account of permanent and total incapacity for work due to bodily or mental infirmity duly certified by the medical officer of the factory or a registered medical practitioner;

Provided that a member suffering from tuberculosis of lungs or leprosy, even if contracted after leaving the service of a factory on grounds of illness but before payment has been authorised, shall be deemed to have been permanently and totally incapacitated for work; or

(c) immediately before migration from India for permanent settlement abroad;

(2) In cases other than those specified in sub-paragraph (1) the Board, or where so authorised by the Board, the Commissioner, or where so authorised by the Commissioner, any officer subordinate to him may permit a member to withdraw, subject to the provisions of sub-paragraph (3), the amount standing to his credit in the Fund, if

(a) he being a national of a country other than India is leaving India at least for a year; or

(b) he has not been employed in any factory to which the Act applies for a continuous period of not less than six months immediately preceding the date on which he makes the application for withdrawal;

*Explanation.*—A declaration in writing made by a member affirming the fact of non-employment as aforesaid may be accepted as proof thereof.

(3) When a member withdraws any amount under sub-paragraph (2), the following provisions shall apply, namely:—

(i) 75% of the employer's contribution and interest thereon shall be forfeited to the Fund if the period of his membership of the Fund is less than 3 years; or

(ii) 50% of the employer's contribution and interest thereon shall be forfeited to the Fund if the period of membership is 3 years or more but less than 5 years; or

(iii) 25% of the employer's contribution and interest thereon shall be forfeited to the Fund if the period of membership is 5 years or more but less than 10 years;

(iv) 15% of the employer's contribution and interest thereon shall be forfeited to the Fund if the period of membership is 10 years or more but less than 15 years.

(4) Notwithstanding the provisions in sub-paragraphs (2) and (3), the Regional/State Commissioner may permit any member or class of members to withdraw under sub-paragraph (2) the full amount standing to the credit of such member or members at any time after the termination of employment according to such directions as may be issued by the Central Government from time to time.

(5) Any member who withdraws the amount due to him under sub-paragraph (2) shall, on obtaining re-employment in a factory to which the Scheme applies, be required to qualify again for the membership of the Fund and on qualifying for membership shall be treated as a fresh member thereof.

(6) Any sum forfeited to the Fund under this paragraph shall not be returned to the employer but shall be credited to the "Forfeiture Account" of the Fund.

*Explanation.*—(a) In computing the period of membership under sub-paragraph (3) for the first withdrawal under sub-paragraph (2) in respect of a member, his total service, exclusive of periods of breaks under the same employer or factory before the Scheme applied to the factory, as well as the periods of his

membership, whether of the Fund or of private provident funds of exempted factories or provident funds exempted under paragraph 27, immediately preceding the current membership of the Fund shall be included, provided that the member did not withdraw his provident fund moneys during such period.

(b) In computing the period of membership under sub-paragraph (3) for subsequent withdrawals under sub-paragraph (2), periods of membership whether of the Fund or of private provident funds of exempted factories or provident funds exempted under paragraph 27 immediately preceding the current membership of the Fund shall be included, provided that the member did not withdraw his provident fund moneys during such periods."

R. C. SAKSENA, Under Secy.

New Delhi, the 13th August 1957

**S.R.O. 2707.**—In exercise of the powers conferred by sub-section (1A) of section 10 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby makes the following amendment in the Order of the Government of India in the Ministry of Labour No. S.R.O. 1911, dated the 5th June, 1957, namely:—

For the existing Schedule to the said order, the following Schedule shall be substituted, namely:—

#### SCHEDULE

##### Part I

**Demand No. 10 Pay Scales.**—(a) Whether the following salary grades should be interlinked to read as one grade as under:—

Grade	Scale of pay	To read as one Interlinked Grade
	Rs.	Rs.
1	50—2—80	..
2	60—3—90	..
3	70—4—122	} 70—4—98/106—6—172.
4	100—6—172	
5	140—8—220	} 140—8—188/200—10—300.
6	190—10—300	
7	200—12—340	} 220—12—256/275—15—395/415—15—550 in cases where grade No. 8 is not applicable.
8	260—15—455	
9	340—15—550	} 250—15—310/335—15—440. Grade 10 and 11 to be interlinked with grade 12 in the same manner as applicable to other classes of Staff.
10	250—15—270	
11	320—15—440	

(b) Whether movement within the interlinked salary grade should be automatic on reaching a particular point or stage in the interlinked grade. For example, in the interlinked grades 3 and 4, 5 and 6, 7 and 9 any employees on reaching 98, 188 and 340 would be brought to the next salary stage at 106, 200 and 340 in the respective interlinked grades?

(c) Whether movement from one interlinked grade to another interlinked grade should be subject to the efficiency and vacancy in the next higher grade upto the grade 9 and whether consequently the vacancy in the interlinked grade should be filled in from among the employees already working in the corporation?

(d) Whether, heads of employee in salary grade No. 1 should be placed in salary grade No. 2 at an appropriate stage in that grade?

(e) Whether, employee in salary grade No. 1 and salary grade No. 2 not otherwise upgraded should be placed in the next higher grade subject to their passing a trade test?

**Demand No. II, Categorisation.**—Whether the following demands in respect of categorisation are reasonable.

- (a) Anomalies arising out of improper categorisation i.e. fitting the existing employees in the new pay scales should be rectified in terms of Appeals submitted by the aggrieved employees. Appeals regarding categorisation submitted by individual employees in respect of which the Air Corporation Employees Union has submitted a general memorandum should not be disposed off *ex-parte*. Such appeals should be the subject matter of defence by the employees concerned, either by themselves or through the Union as the case may be and of contest by the Corporation so as to enable the respective parties to prove their cases. The procedure and form to be adopted for the disposal of such appeals should not be decided by the Corporation *ex-parte*. The principles on which the original categorisation of the employees was done including the principles on which the anomalies arising out of improper categorisation were rectified should be scrutinised, while disposing of individual appeals, in the light of general memorandum submitted by the Union.
- (b) On categorisation, an employee should be given the benefit of the number of completed years of service he has previously rendered in discharging duties and responsibilities more or less equal to or corresponding to those of the new post of grade in which he is placed. After salaries are adjusted in the new pay scales, no employee will be staggered and he will continue to get future annual increments in the graded scale, or in the interlinked grade as the case may be.
- (c) The circumstances that an employee has appealed for proper categorisation referred to in (a) above shall not in any way affect his right to have his basic pay adjusted in accordance with the rules or procedure specified for the interlinked grade in issue No. 1.
- (d) Promotions should be effected after categorisation is finalised and thereafter regions-wise definite standard force or establishment strength determined. The circumstances that appointments have been made in higher grades already should not affect the rights of existing employees for promotions in the higher grades.
- (e) The pay that an employee was drawing prior to the introduction of new scales of pay should not be reduced while bringing the new scales into force. An employee should not undergo a wage cut as a result of the difference between his old and new total emoluments including personal pay wherever applicable, and wage cut in cases, if any, effected should be restored.

**Demand No. 3, Transport Facilities.**—(a) Whether the provision in respect of free transport to employees in lieu of transport allowance as in Calcutta and in Palam be continued. The existing facilities of providing free transport facilities from Safdarjung Airport to Palam and back in addition to the transport allowance and the transport facilities at Bombay should remain as before

(b) Whether entitlement to Transport allowance should be as at present and *pro-rata* deduction for a part or fraction of the month in respect of this allowance shall not be made, except where expressly provided under the Union Management agreement. All arrears should be paid without delay.

**Demand No. 4, Officiating allowance.**—Whether, in case when employees have officiated in higher posts but certain technical formalities were not fulfilled by the sectional/departmental head concerned this should be paid officiating allowance

**Demand No. 5, Duty allowance.**—Whether non-technical staff working in the stores Department and in other Departments and offices of the Engineering Department such as before clearers, progress clerks and progress peon etc., should be paid this allowance with retrospective effect?

**Demand No. 6, Shift Allowance.**—(a) Whether any employee upto grade No. 12 who has worked night shifts should be paid this allowance with retrospective effect

(b) Whether absence of a employee who works on alternate night shift should be debited to his leave account for the actual number of nights not reported. That is where shift allowance is paid for the number of night shifts worked, his absence should be debited to the extent he does not attend night shift *pro-rata*.

**Demand No. 7, Meal/Lunch Allowance.**—Whether, all cases where this allowance has not been paid including cases represented by the Union payment should be made forthwith and all pending claims settled.

**Demand No. 8, Overtime Payment.**—(a) Whether arrears of overtime payment should be settled immediately and whether it should be the responsibility of the Corporation to regularise technical formalities and whether in no circumstances pending claims be rejected owing to technical irregularities for which the employees concerned were not responsible

(b) Whether in computing overtime, time spent on flight duty in the case of ground staff should be taken into account for overtime payment and all pending claims or cases of non-calculation in the manner indicated above should be settled.

**Demand No. 9, Washing allowance.**—Whether washing allowance including arrear allowance should be paid to all employees upto grade 9, besides stewards and hostesses who are entitled to uniforms notwithstanding the fact that the Corporation neither received nor made fresh initial issues?

**Demand No. 10, Overtime Allowance (flying crew).**—Whether overtime done during the probationary period where the flight is undertaken as the necessary part of the crew, should be paid with retrospective effect and whether all outstanding payment should be settled without any delay?
